Dear Sir:

Applicants note that PTOL-85 (Part B- Fee(s) Transmittal) incorrectly lists the title of the invention as: Compact Optical Transceiver Module Having Housing With Improved Coupling Mechanism And Assembly Method Thereof. Per the amendment filed on March 3, 2005, and received in the Patent Office on March 7, 2005, the correct title should read: Coupling Mechanism For An Optical Transceiver Housing.

Applicants have proceeded with payment of the Issue Fees on even date. However, Applicants request the amendment to the title be effected prior to the printing of the Letters Patent.
